Warehouse & Factory Automation

The Power of Plus

AFFORDABLE CONVEYOR & WAREHOUSE CONTROL

THE WHOLE LIFECYCLE. ONE PARTNER.

Design

Electrical, controls, and software

+ Build

Pedestals or panels, wired and tested before they ship

+ Connect

WMS, barcode scanners, weigh scales, motor drives, and print & apply

+ Commission

Start-up, checkout, and training in your warehouse

+ Support

Same engineers. Up to 24/7/365 for the life of the system

START HERE

dhPlus Flex

Distributed pedestals, control boxes, and field-mounted motor drives. Faster to design, build, and deploy than a traditional panel.

WHEN YOU NEED MORE

dhPlus Custom

Traditional panels and specials — including Allen-Bradley.
